

BOTANICARE® ID TRAYS

**CORE
BLACK ID TRAY**
4 x 8 Shown

**PREMIUM
WHITE ID TRAY**
4 x 8 Shown

Botanicare ID (inside dimension) Trays

are formed with sturdy ABS plastic known for its durability and performance. We've designed the ID line with deep sidewalls (7" depth) to accommodate large root masses, tall pots and more complete saturation. The drainage grid is designed with wide, curved channels to simplify cleaning and expedite draining. Corners are gusseted to provide robust support. Botanicare's ID Tray line provides maximum growth space and is designed to integrate with Fast Fit® benching perfectly.

FEATURES:

- **Sturdy ABS plastic**
- **7" deep sidewalls**
- **Wide, curved channels**
- **Gusseted corners**
- **Fits Fast Fit® benching**
